ENTERPRISES

Built on Compliance, Run on Trust ~

Government-oriented supply and execution division handling tender-based procurement of print, electronic, and mechanical materials. We focus on compliance, reliability, and timely delivery across departments and institutions.

STUDIOS

Ideas Made Tangible ~

Commercial print and product arm covering vast parameters of print from brand packaging, bags, and labels to registers, merchandise, and branded collaterals. We provide end-to-end design, production, and scalable fulfillment for retail and corporate markets.

MEDIA

Artists Disguised as a Media House ~

Creative and digital content unit producing digital content, campaigns, brand visuals, performance marketing assets, and full post-production. We turn strategic storytelling into engagement, growth, and digital presence.

Afterhours

Where the City Comes Alive ~

Events, entertainment, and community arm curating live experiences — from artist bookings and brand activations to intimate gigs and cultural showcases. We build moments people remember and communities that keep coming back.
